I acknowledge and agree, that this BETA software testing ("BETA test") is limited to qualified testers, that anything related to the VirtualDAW ("software") must not be disclosed to the public and that I'll keep any communication about it confidential.

By accessing or using the software, I automatically accept these terms and conditions.

I have no ownership of my feedbacks, opinions, suggestions, thoughts and ideas ("feedback").

Also I have no ownership of any intellectual property rights or prorietary rights of that feedback or derived from that feedback.

I agree, that all of my provided data through the issue report forms may be stored, as laid out in the Googe privacy policy https://policies.google.com/privacy?hl=en-US and on additional devices.
My personal data will only be used as required for conducting this BETA-Test.

I will not copy, modify, rent, lease, lend or distribute the software.
I also will not reverse engineer, decompile, or disassemble the Software, except to the extent such activity is expressly permitted by applicable law.
I also will not use the software for any unlawful purpose or in any manner that could damage, disable, overburden, or impair anyone.

These terms shall be governed by and construed in accordance with German Law.
